Subject: Индикативно предложение Chimec

Добър ден,

В приложение към писмото изпращаме индикативно предложение на Chimec S.p.A., свързано с провеждането на пазарна консултация No50093 с предмет „Доставка на програма и химични реагенти за корекционна обработка на техническа вода отговорни потребители в Циркулационни охладителни системи (ЦОС) с Бризгални басейни”

Предложението е с прогнозна стойност, съставено според предоставения образец.

С уважение,
Roman Kamenov
Technical Sales and Service Engineer
Chimec S.p.A.

№	ID	Description and technical characteristics of the offered product	Quantity	Unit	Unit price in BGN, without VAT	Total price, in BGN
1	CHIMEC 3168P	Corrosion inhibitor for carbon steel and copper	12063	kg	8,19	98795,97
2	CHIMEC 3143	Antiscale product	3618	kg	8,78	31747,95
3	CHIMEC 7464	Biodispersant product	2412	kg	4,88	11758,5
4	CHIMEC 7561	Hypo activator product increasing efficiency of oxidising biocide	7333	kg	6,24	45757,92
5	CHIMEC 7562P	Non-oxidizing biocide against microbiological grow	7200	kg	9,75	70200
6	Sodium Hypochlorite	Sodium Hypochlorite oxydizing biocide in order to controll bacteria grow	220000	kg	2,44	536250
7	CHIMEC Dynamic Controller	Water monitoring and controlling system including pH, Conductivity, Temperature and Corrosion measurement	3	pcs	33150	99450
8	Kemital dosing pump	Electrical dosing pump capacity 2-42 l/h max pressure 12-2 bar	15	pcs	1462,5	21937,5

Delivery term after order/contract 30 days after receiving written order

Terms of delivery According to Incoterms 2022 – DAP

Life cycle/warranty terms and support; Expiry date for reagents Chimec guarantees corrosion rate <0,1 mm/y. Daily presence of service engineer which includes maintenance of dosing and controlling equipment, analysis of water quality and preparation of service reports. Product shelf life is 365 days.

Manufacturer; representation document Origin of product is Italy. ISO Certification UNI ISO 9001:2000. MSDS, TDS, TS and REACH documentation are available for all products.

Accompanying documentation upon delivery Product will be delivered together with certification of analysis.
