

KOZLODUY NPP EAD OCCUPATIONAL HEALTH AND SAFETY MANAGEMENT POLICY

The Management of Kozloduy NPP EAD pursues a policy focused on strictly implementing the requirements of laws and regulations on health and safety at work effective in the Republic of Bulgaria.

THE POLICY OF KOZLODUY NPP EAD ON MANAGEMENT OF HEALTH AND SAFETY AT WORK AIMS AT ACHIEVING THE FOLLOWING OBJECTIVES:

- prevent occupational risks
- protect health and safety of the personnel
- reduce the number of risks and eliminate the causes for industrial injury and occupational diseases
- maintain and increase the workforce competences in safe work performance
- maintain the Management System consistency with the provisions of GSR Part 2 “Leadership and Management for Safety”, and BDS EN ISO 45001:2018 “Management Systems for Health and Safety at Work. Requirements and instructions for implementation”, the applicable legislative and regulatory requirements, and requisites adopted by the stakeholders

THE COMPANY'S MANAGEMENT OF HEALTH AND SAFETY AT WORK IS BASED ON THE FOLLOWING PRINCIPLES:

- compliance with the national acts on health and safety at work
- risk avoidance
- limiting the risks at the source
- replacing the dangerous with safe or less dangerous
- preference for implementing collective protective means to personal protective equipment
- monitoring and tagging of existing hazards and sources of factors harmful to health and safety
- decision-making based on evidence and evaluation of risks and potential, with the participation of the workforce
- considering the interactions among people, technology, organisation and social relationships
- providing instructions to the workforce
- monitoring of the workers' health status
- consultations with the workers or their representatives

Kozloduy NPP EAD managers at all levels are committed to maintaining and improving health and safety at work, supporting the personnel to participate, consulting, aligning and assisting them to contribute to the effectiveness of the Company's management system.

The health and safety management policy is communicated to all the Company's employees and each and every one of them is responsible for implementing its principles in their efforts towards achieving the set objectives.
