Market consultation No 51479 subject "Supply of autotransformer group 400/220/31,5 kV"

Dear Sirs,
thanks for your inquiry regarding the Market Consultation No 51479 subject "Supply of autotransformer group 400/220/31,5 kV".

We would like to confirm that we are able to adhere to your Technical specification and the non-binding price indication excluding VAT for the delivery of Autotransformers as specified is:

28.000.000Eur
(twenty-eight-million Euro)

We also would like to inform you that the delivery time after contract signature is roughly 22 months. In general, our warranty period is 12 Months after delivery. The documentation to accompany the delivery will be the standard manufacturer documentation.

Our contact for your inquiries is:

Technical: Hakan Sahin, +49 160 90169118, hakan.sahin@framatome.com

Business: Martin Nano, +49 170 2227605, Martin.Nano1@framatome.com

We hope that you will find our answers interesting and that we could support you on this topic.

Sincerely

Manuel Güldner
