SUBJECT: Market Consultation No 55381 of subject “Design of: “Modernization of the gas separation system of safety valves Sempell model VS99/VS66 installed on 5 and 6 power units””

Dear Madame / Sir,

We are happy to submit our indicative offer related to the Market Consultation No 55381 of subject “Design of: “Modernization of the gas separation system of safety valves Sempell model VS99/VS66 installed on 5 and 6 power units””.

We would like to confirm that we are able to consider your related draft of Terms of Reference. The non-binding price indication excluding VAT for the preparation of design documents for the modernization of the gas separation system is specified as:

1.990.000 Euro
(one million nine hundred ninety thousand Euro)

The price mentioned above is a rough order magnitude. Detailed calculations shall be presented at the tender stage.

We hope we are able to fulfill your expectations.
